BOARD SERVICE

Why do you want to serve on the Chamber board?

As President of the Wesley Chapel Theater Group and Pasco resident for 22 years, I enjoy learning as much as possible about my place of residence. Ideally I would like to bring more arts to the area.

What skills or expertise can you bring to the Chamber board?

I am extremely organized, I am a "people person". I have over 50 years of nursing experience, particularly education. I enjoy interacting with people of all ages.

Will other nonprofit or professional commitments prevent you from fulfilling your commitment? If yes, what are they?

I don't think that my other commitments will interfere with my commitment to the Chamber. If anything, they will enhance my knowledge and participation.

Community organizations previously served

Currently I am President of the Wesley Chapel Theater Group, and Co-President of Spirit of Life Unitarian Universalist Church in Odessa. These are ongoing.

What aspect of board service appeals to you?

Since my other 2 boards are working boards, I like that this one is a governing board. I like the idea of providing direction while learning at the same time.

What do you hope to gain from board service?

Wesley Chapel Theater Group is a relatively new entity and I hope that by participating on the board I will be better able to direct WCTG and its future growth.
