BOARD SERVICE

Why do you want to serve on the Chamber board?

I am interested in serving on the Board because I believe the Chamber plays a critical role in supporting economic growth, workforce development, and business advocacy in an area of Tampa that is rapidly expanding. As a management-side employment attorney and former small business owner, I work with businesses throughout the Tampa Bay area and understand the challenges and opportunities facing our local business community. I believe that I can help business owners prevent or minimize challenges involving employees.

What skills or expertise can you bring to the Chamber board?

I offer a combination of legal, business, and leadership experience. In my legal practice, I counsel employers on complex workforce, regulatory, and operational issues affecting organizations of all sizes. Prior to becoming an attorney, I managed a multi-million-dollar online retail business, which provided firsthand experience with budgeting, personnel management, strategic planning, and business growth. This blend of business and legal experience allows me to evaluate issues both strategically and pragmatically.

Will other nonprofit or professional commitments prevent you from fulfilling your commitment? If yes, what are they?

No.
